DETAILED INDEPENDENT CONTRACTOR TERMS

This Agreement (the "Agreement") is entered into as of 2026-02-01 between Omer Wasig (the "Freelancer") and Worksome US, Inc. (the "Company")

1. Independent Contractor

Subject to the terms and conditions of this Agreement, the Company hereby engages the Freelancer as an independent contractor to perform the services as outlined in the Summary Terms (the "Deliverables"), and the Freelancer hereby accepts such engagement. The Freelancer is expressly free to perform services for other parties while performing the Deliverables for the Company.

2. Duties and Term

This Agreement will be in effect for the period specified in the Summary Terms hereto (the "Term") and the Freelancer agrees to the following in performance of the Deliverables:

- a. to provide such Deliverables as are mutually agreed to by the parties.
- b. to act diligently, competently and in a professional manner in order to complete the Deliverables under this Agreement (as specified above) within the time agreed for the completion of each such project or assignment. The Freelancer further agrees to complete the Deliverables to the satisfaction of the Company and take full responsibility for its failure to do so within a timely manner.
- c. to furnish the necessary tools, equipment, and the like to complete the Deliverables under this Agreement, and to be solely responsible for the associated costs, if any, including employee benefits and employee business expenses.

Both parties agree that the Deliverables may be amended from time to time or supplemented with subsequent Summary Terms to be rendered by the Freelancer and approved in writing by the Company and that any such amendment will be collectively incorporated by reference as part of this agreement.

3. Compensation

It is understood and agreed that the Freelancer's fee during the Term (including the method, manner and timing of the payment by the Company of such fee) will be as set forth in the Summary Terms attached hereto. If specified in the Summary Terms, any normal and reasonable business expenses incurred by the Freelancer on the Company's behalf will be reimbursed, providing those expenses have been approved in advance by the Company and are itemized on the Freelancer's invoice. In the event Company terminates this Agreement, without limiting any other rights and remedies available to Company, Company shall be entitled to a refund of all fees pre-paid for Deliverables not yet performed by the Freelancer.

4. Termination

The Company may terminate this Agreement at any time by 10 working days' written notice to the Freelancer. Upon any such termination, the Freelancer shall transfer, assign and make available to Company, all plans, schedules, artwork, film and other documents, materials and work-in-progress in the Freelancer's possession or control belonging to and paid for by the Company, and all information regarding the project(s) or assignment(s) concerning Deliverables rendered under this Agreement. In addition, if the Freelancer is convicted of any crime or offense, fails or refuses to comply with the written policies or reasonable directive of the Company, is guilty of serious misconduct in connection with performance hereunder, or materially breaches provisions of this Agreement, the Company at any time may terminate the engagement of the Freelancer immediately and without prior written notice to the Freelancer.

5. Relationship of the Parties

It is further understood and agreed that the Freelancer's engagement hereunder will not constitute the Freelancer, or its employees, if any, as employees of the Company for any purpose whatsoever, and that the Freelancer, or its employees, if any, will not be entitled to the benefit of any employee plans or programs or benefits mandated by applicable law, including insurance benefits, of the Company. The Freelancer acknowledges that it will be responsible for the withholding and payment of all federal, state and local income taxes and social security taxes and the payment of all workers' compensation, state disability and unemployment contributions or premiums, or other taxes or contributions under any benefit program mandated by applicable law, associated with the fees the Freelancer receives and the employees, if any, it hires, and that the Freelancer will hold the Company harmless against any liability incurred with respect to such taxes, contributions or premiums. The Freelancer further agrees to indemnify the Company for any costs or liabilities, including attorneys' fees, arising from the Freelancer's failure to withhold and pay such taxes, contributions or premiums.

6. Freelancer Representations and Warranties

The Freelancer hereby represents and warrants that (a) the Freelancer has the full and unrestricted right and power to enter into this Agreement and perform all obligations hereunder, (b) except for any third party rights disclosed by the Freelancer in writing to, and pre-approved in writing by, Company, any materials conceived or produced to render the Deliverables hereunder and all elements thereof (the "Materials") are solely and originally created or owned by the Freelancer, (c) except for any third party rights disclosed by the Freelancer in writing to, and pre-approved in writing by, Company, no third party has any rights in, to, or arising out of the Materials, (d) no part of the Materials will infringe upon or otherwise violate the copyright, patent, trademark, trade secret or other proprietary or personal right of any third party, (e) the Materials have not been previously published or exhibited and (f) neither the production of the Materials, nor the exploitation thereof to the full extent permissible by the Company and/or its successors, affiliates, licensees or assigns, will violate any law or right of any kind whatsoever or give rise to any actionable claim or liability.

7. Indemnification

The Freelancer hereby agrees to indemnify and hold harmless the Company, its immediate and downstream clients (collectively, "Clients"), and each of their respective affiliates, licensees, assignees and parent, subsidiary and affiliated companies, and the officers, directors, shareholders, employees and agents of all such entities from and against any loss, cost, liability, damage or expense (including reasonable attorneys' fees and expenses) any of them may incur or be liable for arising out of (i) any breach or alleged breach of any of the Freelancer's representations, warranties or obligations hereunder, or (ii) the Freelancer's, or any of its employee's, agent's or subcontractor's negligence or willful misconduct.

8. Confidential Information

The freelancer acknowledges that during the course of its services hereunder, the Company, its Clients and/or its prospective Clients may disclose to the Freelancer certain information, and the Freelancer may otherwise discover and/or develop certain information, about the Company, its Clients and/or its prospective Clients. The Freelancer agrees that it will not, at any time (whether during the Term or after termination or expiration of this Agreement), disclose any Confidential Information or trade secrets of the Company or any Client or prospective Client of the Company, or utilize such Confidential Information or trade secrets for the Freelancer's own benefit, or for the benefit of third parties. The Freelancer shall use the Confidential Information solely for the purpose of performing the Deliverables in accordance with this Agreement. In addition, all memoranda, notes, records, Materials or other documents compiled by the Freelancer or made available to the Freelancer during the Term concerning the business of the Company, its Clients and/or its prospective Clients will be the property of the Company and will be delivered to the Company on the termination or expiration of this engagement or at any other time prior to termination upon request and the Freelancer shall certify to the Company that the Freelancer has fully complied with this requirement and has no copies in its possession or under its control.

9. Proprietary Rights

In entering this Agreement, the Freelancer hereby transfers and assigns to the Company all rights, titles and interest in and the right to copyright the Materials (including, but not limited to, copy, scripts, storyboards, writings, trademarks, artwork, music, media plans, research projects, new product ideas and business systems or ideas), and the Freelancer agrees that such Materials are works made for hire exclusively for the Company, its Clients or its prospective Clients, as applicable, under the copyright laws of the United States, and shall be owned by Company, its Clients or its prospective Clients, as the case may be, for all purposes in perpetuity. In the event that any such work is not a work made for hire under said copyright laws, the Freelancer hereby assigns to the Company all rights, titles and interests in such work and agrees to execute whatever documents of assignment, oaths, declarations, conveyances and other documents and to do such other acts as may be necessary or useful to establish, protect or enforce the rights herein granted and hereby appoints Company as the Freelancer's attorney-in-fact with full irrevocable power and authority to execute any and all such documents and take all other appropriate actions to effectuate the foregoing should the Freelancer refuse or otherwise fail to do so. Without in any way limiting this sale and assignment, the Freelancer also expressly and forever waives any "moral" rights or droit moral or any similar rights arising under U.S. federal or state law or under the laws of any other country that conveys similar or other types of moral rights. In the event that such waiver is not effective under the laws of any country or jurisdiction, the Freelancer hereby grants Company, its Clients or its prospective Clients, as applicable, a perpetual license to alter, modify, revise or change the Materials in its sole discretion, without attribution or credit to the Freelancer.

10. Assignment & Merger

This Agreement may not be assigned by either party without the prior written consent of the other party, and any such purported assignment will be void. All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.
