Dear Sir/Madam,

Employment Reference Letter – Omer Wasiq

I confirm that Omer Wasiq (EMP1950) was employed at Fishawack Communications Limited, now known as Avalere Health, as a Senior Regulatory Submission Specialist from September 13, 2021 to April 29, 2023.

I further confirm that the total remuneration received by Omer Wasiq was GBP 36,000.00 per annum and was required to work 37.5 hours per week on a full-time employment basis.

Position(s) held by him are listed below:

Position	Period	Annual Remuneration (GBP)
Senior Regulatory Submission Specialist	1 July 2022 – 29 April 2023	£36,000
Regulatory Submission Specialist	13 September 2021 – 30 June 2022	£30,000

He was responsible for the following responsibilities:

- Manage the electronic review processes used by clients' MLR committees, including submission, retrieval, and distribution of documents for review and revision.
- Create and maintains reference libraries and claim matrices on assigned accounts.
- Understands key milestones in project delivery process and ensures required activity is met prior to moving onto the next milestone.
- Executed meticulous file specification verification to ensure compliance with client and agency standards.
- Streamlined submission processes by proficiently linking, tagging, annotating, and managing error-free submissions to facilitate prompt approval decisions. (PTO)

- Delivered timely status updates to promptly shared downloads and distributed reviewed submissions for effective collaborations.
- Updated and maintained accurate and detailed compliance records.
- Oversaw Medical-Legal Regulatory (MLR) review processes for clients, planning and approving over 100+ pharmaceutical messaging, involving document submission, retrieval, and distribution for review/revision.
- Developed strong expertise in utilisation of Veeva Vault PromoMats submission software by effectively navigating associated processes for assigned accounts.
- Maintained effective coordination with internal and external stakeholders to ensure completion of required activity prior to next milestone.

Yours Sincerely,

Jordon Wilson
Global People Operations Manager
