Clearsprings Ready Homes

Clearsprings Ready Homes Ltd (CRH) is a private contractor who are partnered with Home Office to provide accommodation and transport services to people who have been referred to by Home Office's division called UK Visas and Immigration (UKVI). Clearsprings communicate with Migrant Helpline and Barry House to provide accommodation to people who are asylum seeking.

Barry House

This is private contractor who are partnered with Clearsprings and are also a hotel company. They deal with the core aspects of the accommodation as well as where SUs are directed to.

Migrant Helpline

Migrant help are an Advice, Issue Reporting and Eligibility(AIRE) provider appointed by the Home Office. They are a charity separate from the Home Office offering independent advice. They are in constant communication with Clearsprings. Provides support to people who are in critical need of support. These include asylum seekers, refugees, or are victims of abuse. They communicate with the government to ensure the needs of the above are maintained as well as being continuously assisted.

Local Authorities

**Local authorities/Borough council's main responsibility with Stay
B**

elvedere Hotels Ltd (SBHL) are inspections of the hotel. These inspections consisted of the hygiene of the hotel as well as the general safety of the hotel . Any issues found will require local authority to report to the Public Health England .

Public health England

PHE is an executive agency of the Department of Health and Social Care , established on 1 April 2013. Its website says that it exists to “ protect and improve the nation’s health and wellbeing and reducing health inequalities ”. Protecting the public from hazards and dealing with public health emergencies – like coronavirus – is part of that core task. Taken from https://en.wikipedia.org/wiki/Public_Health_England

Stay Belvedere Hotels Ltd (SBHL)

This is the organisation you are working for. You will be based at a hotel site, and you will be often communicating with the Central Office, for example to raise complaints, transport requests. SBHL rely upon NACCS for some aspects of its operations e.g., Office Space. However, you are working for SBHL and not NACCS.

Check - In Process

The induction of the service users is something that must be done on arrival. This was previously was done with physical paperwork. This has now been digitised and there is now no need for any paperwork onsite.

Any needs that need to be accommodated such as dietary needs, health needs, baby needs must be noted and actioned by staff. This must be done at induction.

At induction, all the relevant documents must be signed by the service user.

Welfare

Managers are responsible for general safeguarding of SU's and ensuring they are never at risk of danger and if they are, ensuring that the right action is taken to ensure their welfare. Template form for recording outcomes of welfare cheques is saved on SharePoint.

Welfare and occupancy checks process:

SU register is maintained at mealtimes for SU's who have taken food. If anyone doesn't take food for a day (i.e., 3 meals) their room is flagged for checking.

Occupancy checks are carried out on at least 1/3 of rooms daily. This is done on systematic basis, so within 3 days all rooms are checked. The process is at the discretion of the hotel e.g., every third room, or every third floor.

Daily welfare checks are carried on an SU whenever ClearSprings ask us to or when we are concerned of a particular SU. These welfare checks are recorded via a Microsoft form into CRH Sharepoint. The link changes on a monthly basis . Email Info@SBHL.uk if you require the latest link.

If Children are left unattended in the room and SU leave the hotel, then police should be informed to check children are okay.

Clear Voice Translation Service

If SU requires a Translator e.g. for GP or complaints then they call Clear Voice (translation company) on 02070434127 .

When SU is asked for company name, they should say: Clear-springs Ready Homes/Barry House

When asked for Pin give: 308339

Then enter the 3 digit language code – see full list here - https://staybelvederehotelsltd.sharepoint.com/:w:/s/home/ERCIX_mgrbdMuf/vCKA?e=X6fXu6

Then the destination number is dialled and a 3-way call starts.

Administ ration

Charges for Medical Prescriptions - In the case a S U receives a prescription which he/she has to pay for, then ask the SU to fill out a HC1 form where the SU will have the option to state that they are asylum seekers and will get a HC2 Clearance which will allow the SU to get medication for free, however, this may have to be arranged via a n appointment, in this case, please arrange a n appointment after consulting with 111 and migrant help and please help the SU fill out the HC1 form.

Staff are required to ensure that Migrant Help are assisted in having access to the service users via phone call, if not providing the phone number

of the SU, then to hand them the reception phone directly.

Letters

Letters from the home office must be handed to service users in a timely fashion.

If service users require help understanding the letters they receive, please refer to clear voice.

Any COMMS that need to be passed to the service users, must be handed out and displayed on notice boards in communal areas.

Transport , Port Ref No .**

**Central office will contact transport company and
will cc the hotel. At this point transport has been
“Requested”, therefore don’t inform the SU that
transport is “ booked”**

**All requests need to be sent at least 48 hr
notice prior to the appointment (Saturday and
Sunday are not working days). Therefore, if an
appointment is needed on Monday, the transport
request needs to be sent on Thursday latest.**

For returns the SU needs to arrange time and place with the driver and exchange mobile numbers (if possible), so they can arrange collection for return to hotel , also, in the ‘drop off time’ field, please state a rough time of when the SU needs to be collected from the Hospital to return to the Hotel.

If there is a medical transport which is urgent but has not been advised by 111, for example, if the Doctor has called the SU and asked them to come in, then please call office for confirmation of booking a private taxi.

Immigration Transport requests.

Call 0808 801 0421 and ask them to either arrange transport for the SU or request a cancellation of the reporting. This line works Monday to Friday, 10am-4pm only.

Central Office does not process this, if the calls are not going through, then contact transport@sbhl.uk via email or call the Central SBHL Office and the team will aid you in arranging transport or cancelling the reporting

Food & Essentials

Managers are responsible for ensuring the food and essentials are provided to SUs at the hotel.

Meals are provided 3 times a day as follows:

Breakfast – 8am to 9:30am

Lunch – 1pm – 2:30pm

Dinner – 7pm – 8:30pm

A choice is available to all SU of vegetarian, non-vegetarian or vegan. Additionally, special requirements are catered for based upon medical needs (Sus are asked to complete a Special Diet Requirements form). The meals are balanced, double-checked by a nutritionist.

The lunch and dinner menu repeats after 3 weeks (see attached) in order to ensure variety and the breakfast menu repeats every 3 days. While we appreciate these may not meet some of the SU

expectations they are accepted by the UK Visa and Immigration service.

Additionally, we can provide children's special meals throughout the week to cater to children's needs if parents wish to choose this option.

The menus are available on SharePoint and need to be displayed in the hotel . Snacks are available 24 x 7: These include:

Milk

Tea

Coffee

Apple Juice

Orange Juice

Bananas

Oranges

Hotels provide the following toiletries to the SU's:

Toilet Roll

Soap

Shower Gel

Shampoo

Razor Blades

Sanitary Pads

Toothbrushes

Toothpaste

Anti-bacterial Handwash

Tissues

Face Masks

Hand Gloves (blue)

***This is subject to change according to the site in question.**

Hotels are cleaned on a regular basis - Rooms are cleaned every 7 days from date of arrival. Any replacement linen items are available on request if required.

Sanitary Pads – As some females are shy of coming to reception and asking for sanitary pads, please can staff be sensitive to this and perhaps during welfare/occupancy checks offer sanitary

pads to female SU at their rooms.

Cold Food Orders (including toiletries)

See attached document to see list of toiletries and list of products we provide

Delivery slots and order day, and only request items on the order list. For Baby items please mention sizes. Upon delivery you need to cross check the delivery note and order and then e-mail Food@sbhl.uk with details of any discrepancy or confirming you have received all the necessary items. FSRS :

Registering sites as food handling

When following Safe Catering the following Monitoring Records are provided and can be used and are saved on the Hotel Training SharePoint:

Reheating Guidelines:

Security

Hotels staff are responsible for safety of all hotel staff and SUs are maintained and if required, take actions and de-escalate incidents. Although security covers a wide range of scenarios, some guidelines to follow are:

No Cameras are allowed on the hotel premises, and any external individuals found to be recording on the hotel premises have be immediately escorted out.

No unauthorised personnel or media are allowed on hotel premises to speak to Service Users directly. No information to be given to any media or any unauthorised personnel trying to gain access. If they persist claiming to be visitors who need to carry out various checks in the building, then take a copy of their ID or warrant and seek immediate advice from central office, regional managers or from senior leadership.

No visitors are allowed to stay overnight with SUs. Call security or police if there are unauthorised visitors.

Visitor records must be kept at all hotels, with a complete record of their full name and full contact details. This is non-compulsory for SUs or any visitors to sign and this must be made clear on the

sheets you use for sign in and sign out.

Large sites have 24 x 7 security on site.

Date	Room No.	Name	Time in	Time out
------	----------	------	---------	----------

Visitors - such as charities and health organisations

For charities and other such organisations, we want to have a clearer and stricter visiting policy. You should:

Ensure they are from a recognised organisation (we have left that definition somewhat open, but we should not give permission to the general public).

Must request access through Clearsprings Ready Homes (CRH) ahead of attendance. Such request should be made at least 5 working days ahead of planned attendance . Organisations need to sign a memorandum of understanding with CRH.

Access will only be granted to those who have a specific declared reason for attendance which is confirmed by CRH.

People attending must sign in and out of the hotel and provide ID on arrival and when requested .

If this is signed on behalf of an organisation e.g. GreenBrook, then this covers Greenbrook staff across multiple sites.

SU's and organisations need to sign this agreement.

Whilst we have security and staff on site, each organisation, should it be required, should carry out its own risk assessment and mitigate accordingly. This should be stated to the visiting organisation.

Access will be given at a specific time and for a specific period which will be confirmed prior to the visit.

CRH will determine the numbers of people permitted on site at any time to ensure COVID-19 social distancing can be maintained .

CRH will provide a specific location i.e. a specific room and people should not move freely around the hotel mainly for COVID management reasons .

Social Service collecting Children

Process for children being taken permanently by social services. As this situation is perhaps the very most sensitive, we need to be extra careful and diligent. The visitors process above needs to be followed and additionally:

All arrangements must be made in advance with emails to the hotel and central team.

Emails must be from recognised email domains e.g. westminster.gov.uk or associated organisations.

For any staff arriving at hotel without prior warning especially outside office hours please escalate to GM, RM, Central office and if reasonable checks cannot be carried out, the staff should be asked to come back later.

ID cards must be checked, and pictures taken of Social Service ID cards .

Covid Process

Official regulations hotels should be adhering to are listed here:

<https://www.gov.uk/government/publications/covid-19-guidance-for-providers-of-accommodation-for-asylum-seekers/covid-19-guidance-for-providers-of-accommodation-for-asylum-seekers#cohorting>

In summary :

Covid risk assessments are carried out on the site.

https://staybelvederehotelsltd.sharepoint.com/:w:/s/horonzcKhsB5cT_a0WFHiz4OgOwuuh96w?e=vI04sy

Staff must wear PPE and observe COVID guidelines at all times in the hotel .

Service users should be encouraged to wear PPE and to observe COVID guidelines but they cannot be coerced or forced.

Hotels must have signage and posters reminding SU of Covid regulations .

<https://www.gov.uk/government/publications/tier-posters-medium-high-and-very-high>

This should be in multiple languages:
<https://www.doctorsoftheworld.org.uk/coronavirus-information/>

Other signage is available on the SharePoint.

Staff and SU must follow social distancing regulations.

Distancing should be marked out on floors and dining tables. If insufficient room in dining area than food should be in bedrooms

The main symptoms of coronavirus (COVID-19) are:

High temperature,

New, continuous cough

Loss or change to your sense of smell or taste.

If anyone has Symptoms then the Covid Action Card/Standard Operating Procedures must be followed :

Guide to follow for a positive SU:

As soon as you are informed or made aware that an SU is positive, the below steps need to be followed.

Send an incident report over to incidents@sbhl.uk and cc info@sbhl.uk Within 2 hours, send over a Track and Trace to incidents@sbhl.uk and cc info@sbhl.uk . Track and Trace form needs to cover from

2 days before the SU was positive - If the SU is positive but has no symptoms, the track and trace needs to be sent for 2 days before the SU was positive up until the present day.

2 days before the SU was symptomatic - If the SU was symptomatic, the track and trace needs to be sent 2 days before the SU was symptomatic, NOT 2 days before they tested positive

•

Make sure SU stay in their room until they are moved, call the police if they leave their rooms.

The service user must be moved to the COVID isolation unit.

The room must be deep cleaned and any of the communal areas the SU passed through and possibly touched surfaces.

Staff management

Staff Rota

The staff rota needs to be uploaded and checked onto the MPR Portal . You need to maintain a log of what training each staff member has completed.

Training documentation

The following things need to be completed via the MPR portal :

DBS

Food Safety

Fire Safety

First Aid

Covid training

Safeguarding Training – Contact Head Office for an email to be sent to you with the training link. The Safeguarding Training links will be provided to you by Clearsprings Ready Homes

and must be completed before you can work onsite.

Adult

Child

Hotel Specific Training – covering:

local GP/NHS registrations for SU's

essential contact services for them such as Migrant help

Posters in various Languages for a better understanding for SU's

Laundry services with pick up and drop off time.

Register

General Managers are solely responsible for all registers being sent by:

Weekdays :

8. 0 0am

5pm

Weekends

7. 0 0am

5pm

They must not be sent earlier than this time nor later than this time. For example, no registers should be sent at 5 AM nor should they be sent at 9 AM.

All registers must be sent according to the attached format on the excel spreadsheet.

Registers must follow the following template:

The
Hotel Gummy
Name: Arms Date: 17/11/2020
Hotel

Room No.	Floor	Room Type	Make Up	Port Ref:	Full Name	Check In	Date	Contact No.	Email

SM = Single male, SF = Single Female, INT = Internal Move Client, TDA = Temporary Dispersed Accommodation Client (look for and use NASS Ref, example; 12/12/12345), e.g. single male and TDA would be written under 'make up' as SM-TDA. If you believe some of the details may be incorrect, please contact Barry House immediately and they will provide you with the correct details.

We generally only use two types of reference numbers, port reference numbers: 3 letters/7 numbers, e.g. ABC/1234567 or NAS/TDA numbers which have the format of 12/34/567891. If any other formats are used, please liaise with Barry House to find out if these details are correct and if they accept the details, then continue using

these.

Vacancies must be sent on the same email as the register, with the following points and worded and ordered exactly as listed below:

Incident reports

Non-Urgent Incidents

Hotel staff must fill in whenever an incident occurs at the hotel involving Sus. E.g. SU smoking on site, ambulance or police are called. The CAD Reference number needs to be included.

Ensure all relevant fields are completed as best as possible, including names and times, in a good structure/sequence.

Send incident to: incidents@sbhl.uk

Please ensure the incident report is completed in a coherent manner with relevant details.

Urgent Incidents

ClearSprings have asked for quicker visibility to urgent Incidents .

Criteria of what is urgent :

serious injury, illness or death of SU e.g. stabbing, heart attack, police intervention e.g. fire, Dangerous weapon, threats made to kill

reputational risk e.g. public demonstration, bad press ,

Key point to note is within 1 hour send Incident report to Distribution list:

Incidents@sbhl.uk

If these urgent incidents are also safeguarding related issues that need to be raised (e.g. pregnancy/children, mental health (not eating, suicide), physical health (disability, heart attack etc), sexual allegations etc) then please CC:

safeguarding@sbhl.uk

info@sbhl.uk

Complaints

SU s sends Complaints via email from Migrant Helpline. We have a certain SLA (e.g. 5 days) to respond to the query. Managers will need to ensure:

the complaint is investigated promptly

The SU is satisfied with improvements and notified of action taken.

Long term improvements are put in place to ensure the complaint does not arise again .

Feedback is swiftly provided to complaints@sbhl.uk of the findings of the investigation.
